REPRESENTATION

Amplify Your Voice: We are all registered with the College of Speech & Hearing Health Professionals of BC (CSHHPBC). The College is a tripartite body of over 1000 registrants, representing Audiologists, Speech Language Pathologists and HIPs. *Speech & Hearing BC* provides professional provincial membership for those two professions, and HIPSBC does the same for the HIP. We need you, to continue to grow the profession.

Be a part of the new HIPSBC three-year Strategic Plan, which will focus our resources on key advocacy and professional development issues that require sustained efforts. Our goals are to create an advocacy, government relations and communications strategy that will zero-in on the issues that affect practitioners.

We also represent you on the Board of the Canadian Hearing Instrument Practitioners Society (CHIPS) and the International Hearing Society (IHS), providing a BC voice nationally and internationally in our global community.

ADVOCACY

We advocate your professional interests with other members of the hearing healthcare community, audiology associations, medical associations, health authorities, provincial governments, the manufacturing community, the hard of hearing community; and, federal and provincial third-party payers.

- WorkSafe BC Liaison committee representation
- Veterans Affairs Canada (facilitating a comprehensive review of the national benefits grid)
